

## SMEMSIC F16

**E** Education Administration Credits   **I** Instructional Technique Credits   **M** Measurement & Evaluation Credits

**N** No Credits Offered

---

### OCTOBER 6 • THURSDAY

---

4:00pm –      **N Early Conference Registration and Check-In**      Registration Area (111 N. Grand Ave Lansing, MI 49833)

6:00pm      Avoid the Friday morning regular conference check-in rush. Check-in for the conference and pick up your conference packet early on Thursday afternoon or evening.

---

4:00pm –      **N SMEMSIC Board of Directors & Education Committee Meetings**

7:00pm      The SMEMSIC Board of Directors will meet at 4pm for a regular      Regency II (111 N. Grand Ave Lansing, MI 49833)  
board meeting. The SMEMSIC Education Committee will meet  
immediately after the board meeting if there is business for the committee to discuss.

---

### OCTOBER 7 • FRIDAY

---

7:30am –      **N Regular Conference Registration & Check-in**      Registration Area (111 N. Grand Ave Lansing, MI 49833)

8:30am      Check-in for the conference and enjoy some morning coffee. This is a time to network with your peers and meet new friends.

---

8:30am –      **E Plenary Presentation: EMS Education and Medical Control - Reflections of an (Old) EMS Medical Director"**

10:00am      Capitol I & II (111 N. Grand Ave Lansing, MI 49833)

*Speakers: William Fales*

EMS educators and system medical directors share the same goal, high quality pre-hospital care. Yet often there is a disconnect between EMS education programs and the identified clinical needs of the EMS system. Dr. William Fales will reflect upon his 23 years as an EMS medical director and 40 plus years as an EMS educator. The session will include time for questions, suggestions, and gripes, suggestions from Michigan's EMS instructors.

---

10:00am –      **M Break - Exhibitor Visits and M&E Worksheet Completion Time**

10:30am      Please follow the instructions on the M&E worksheet in your      Exhibitor Area (111 N. Grand Ave Lansing, MI 49833)  
notebook. Questions will be posted Friday and Saturday. You  
must complete both sets of questions from Friday and Saturday to receive the offered M&E credit.  
**Credits: 1 Measurement & Evaluation (if worksheet is completed on both Friday & Saturday)**

---

10:30am –      **I Concurrent Session 1A: MI-MEDIC Cards - Version 2.0**      Capitol I (111 N. Grand Ave Lansing, MI 49833)

12:00pm

*Speakers: William Fales*

Nearly two years ago the MI-MEDIC Cards were distributed to Michigan's EMS agencies. This fall, MI-MEDIC - Version 2.0 will be released. This session will address the lessons learned from the first version of MI-MEDIC and will provide an overview of important changes in Version 2.0. This "train-the-trainer" type session will allow instructors to better educate EMS personnel on the proper use of the new cards.

---

10:30am –      **I Concurrent Session 1B: Teacher Say, Student Do**      Capitol II (111 N. Grand Ave Lansing, MI 49833)

12:00pm

*Speakers: Bob Page*

In the movie Karate Kid, Miyagi told the young Danielson..."No such thing bad student, only bad teacher"... "Teacher say, student do" Ever wonder what that means? Does it apply to EMS Educators. In this session, we look at things from the students perspective and a critical look at ourselves as a whole. Do we have bad "teaching habits?" What would it take to be good teacher? Can we learn from the way we have always done it? Are we teaching a test or educating providers? The movie offers some valuable lessons that can be applied directly to all learning domains, Come join Bob as together we "focus" on improvement so you can smile proudly as Miyagi did at the end of the movie!

10:30am – **I Concurrent Session 1C: Developing First Responder Awareness to Hostile Situation**  
12:00pm *Speakers: Philip Duczynski* Michigan II & III (111 N. Grand Ave Lansing, MI 49833)  
Violence against first responders has continued to increase every year. While many of the incidents are never formally reported, several published reports estimate that over half of all EMS personnel have been assaulted in their career. This class will help shed some light on the issue and give the participants some basic information to help increase the awareness of personnel within their agencies.

---

12:00pm – **N Lunch Provided for Conference Attendees** Capitol III & IV (111 N. Grand Ave Lansing, MI 49833)  
1:00pm Lunch is provided for regular conference attendees. This is also a good time to visit the Exhibitors and complete the M&E worksheet.

---

1:00pm – **E Plenary Presentation: MDHHS EMS Update** Capitol I & II (111 N. Grand Ave Lansing, MI 49833)  
2:30pm *Speakers: Terrie Godde*  
Representatives from the State of Michigan will provide a brief review of information presented during the EMS update at the Spring conference. In addition, updates about activities and future plans for the management of EMS Education throughout Michigan developed since the spring conference will be provided. The representatives have been invited to join us for lunch and breaks so take the opportunity to share your thoughts and concerns before or after this session. SMEMSIC representatives will conclude this session with organization announcements to prepare for conference education networking activities.

**Credits: 1.5 Education Administration**

---

2:30pm – **M Afternoon Break - M&E Worksheet Completion - Snacks Provided**  
3:00pm This is a great time to finish up your Friday portion of the M&E worksheet and visit the Exhibitors. Exhibitor Area (111 N. Grand Ave Lansing, MI 49833)

**Credits: 1 Measurement & Evaluation (If the worksheet is completed for both days of the conference)**

---

3:00pm – **E Concurrent Session 2F: Mobile Integrated Health in Michigan-Making a Difference**  
4:30pm *Speakers: Kolby Miller* Michigan II & III (111 N. Grand Ave Lansing, MI 49833)  
This presentation examines the success factors in the states first Mobile Health Paramedic program designed to address hospital readmission, as well as the operational and personnel nuances of the program. The presentation will address education and training for mobile health paramedics, as well as continuing education and healthcare facility clinical rotations.

**Credits: 1.5 Education Administration**

---

3:00pm – **I Concurrent Session 2D: Human Trafficking - Right in Front of Us**  
4:30pm *Speakers: Terrie Godde* Capitol I (111 N. Grand Ave Lansing, MI 49833)  
Human trafficking is the modern day slavery, and it is occurring in every zip code in our state. Michigan is ranked #2 in the nation for Human Traffickers. How do we, as EMS providers recognize it? How do we, as ICs train others to recognize.

**Credits: 1.5 Instructional Technique**

---

3:00pm – **M Concurrent Session 2E: Mind the Gap, Meet the Need** Capitol II (111 N. Grand Ave Lansing, MI 49833)  
4:30pm *Speakers: Bob Page*  
The first two steps in instruction design of any course are to determine the need for the class and an assessment of the breadth of knowledge of the intended audience. Many educators develop lesson plans for a class without ever knowing what they should be presenting. Information gained from a Needs Assessment and Gap Analysis can be a major factoring in the success of the class. Participants in the class will leave with working knowledge on how to perform their own Needs Assessment and Gap Analysis, analyze the data and then evaluate the success of the class. Did you Meet the need and Mind the gap?

---

**Credits: 1.5 Measurement & Evaluation**

---

4:45pm –	<b>N Member/Exhibitor Reception</b>	Exhibitor Area (111 N. Grand Ave Lansing, MI 49833)
6:00pm	There will be light snacks and a cash bar along with the major door prize giveaways. The reception is designed to provide an opportunity for attendees to network with exhibitors, board members and other SMEMSIC members. As a reminder, you must be present to win the door prizes!	

---

**OCTOBER 8 • SATURDAY**

---

7:30am –	<b>N Regular Conference Registration &amp; Check-in</b>	Registration Area (111 N. Grand Ave Lansing, MI 49833)
8:30am	Conference registration and check in. A good time to enjoy some coffee and networking.	

---

8:30am –	<b>I Plenary Presentation: Clickers</b>	Capitol I & II (111 N. Grand Ave Lansing, MI 49833)
10:00am	<i>Speakers: Bob Page</i>	
	Looking ways to get more involvement and participation from your students in and out of the classroom? Want to add have more fun into your lectures. Come join edutainer Bob Page and he shows you all that is needed to get started and how you can integrate it for all levels of training and even evaluation and polling. Come feel the excitement as the clickers will be a part of the class. Clickers looks at what is available from clickers in their hand to clickers they have on their phone. Come see how using an audience response system can enhance the classroom experience. Using an audience response system to enhance the classroom experience	

**Credits: 1 Instructional Technique and .5 Measurement & Evaluation**

---

10:00am –	<b>M Exhibitor Visits and M&amp;E Worksheet Completion Time</b>	Exhibitor Area (111 N. Grand Ave Lansing, MI 49833)
10:30am	Please follow the instructions on the M&E worksheet in your notebook. Questions will be posted Friday and Saturday. You must complete both sets of questions from Friday and Saturday to receive the offered M&E credit. <b>Credits: 1 Measurement &amp; Evaluation (if worksheet is completed on both Friday &amp; Saturday)</b>	

---

10:30am –	<b>I Concurrent Session 3G: Stethoscopy for Dummies</b>	Capitol I & II (111 N. Grand Ave Lansing, MI 49833)
12:00pm	<i>Speakers: Bob Page</i>	
	The stethoscope is the symbol of the medical profession: But how many of your students get the proper formal training on how to use it? This class will expose the general lack of knowledge in how to use one and present ideas on how to add this into your curriculum. How much did you pay for your stethoscope? How much training did you get on how to use it? This will fill the gap. In this session, participants are provided down to earth “for dummies” information on various types of stethoscopes and how to use them to get the most out of patient assessment. In this “Ear Opening” session, new and improved methods and techniques are presented and lung and heart sounds presented via stethoscopy sounders, so that participants can hear the sounds with their own stethoscopes. That’s right! In this session, participants must bring heir own stethoscopes with them. Bob brings simulators for all participants to use their own stethoscopes to hear the various sounds. There is even a test at the end of class to see who earns the right to wear the stethoscope and gets a chance for winning a Stethoscope sounder and tutorial from Bob Page. This is the class you should have got way back in EMT Class but did not.	

**Credits: 1.5 Instructional Technique**

---

10:30am –	<b>M Concurrent Session 3H: M&amp;E Tricks of the Trade</b>	Michigan II & III (111 N. Grand Ave Lansing, MI 49833)
12:00pm	Join with SMEMSIC Education Committee Instructors as they share measurement and evaluation tools that they use in the classroom both for continuing and initial EMS education. A number of tools and ideas will be shared to improve the way you evaluate students in your EMS education activities. <b>Credits: 1.5 Measurement &amp; Evaluation</b>	

---

12:00pm –	<b>N Lunch Provided for Conference Attendees</b>	Capitol III & IV (111 N. Grand Ave Lansing, MI 49833)
1:00pm	Lunch is provided for regular conference attendees. This is also a good time to visit the Exhibitors and complete	

---

the M&E worksheet.

---

1:00pm – 2:30pm	<b>E Concurrent Session 4I: Mobile Integrated Health in Michigan-Making a Difference</b> <i>Speakers: Kolby Miller</i> Capitol I (111 N. Grand Ave Lansing, MI 49833) This presentation examines the success factors in the states first Mobile Health Paramedic program designed to address hospital readmission, as well as the operational and personnel nuances of the program. The presentation will address education and training for mobile health paramedics, as well as continuing education and healthcare facility clinical rotations. <b>(Repeat of Friday Session)</b>  <b>Credits: 1.5 Education Administration</b>
1:00pm – 2:30pm	<b>I Concurrent Session 4J: Changing the Way wWe Teach</b> Capitol II (111 N. Grand Ave Lansing, MI 49833) <i>Speakers: Dan Goyette</i> This work shop is designed to show how we as instructors need to rethink the way we present information and how we involve those who attend our presentations to be really involved in the process there are many ways in which we s instructors can educate and i say let power point be in the past and let us look to the future.  <b>Credits: 1.5 Instructional Technique</b>
1:00pm – 2:30pm	<b>I Concurrent Session 4K: Safe Delivery of Newborns</b> Michigan II & III (111 N. Grand Ave Lansing, MI 49833) <i>Speakers: Mel Oakley</i> Since the Safe Delivery of Newborns Law was put into place it has been modified to include EMS personnel in 2001. This means that while responding to a 911 call, ambulance personnel could be expected to perform an anonymous infant surrender. It is our hope that EMS Educators could help prepare EMS providers to be able to appropriately handle these requests.  <b>Credits: 1.5 Instructional Technique</b>
2:45pm – 3:15pm	<b>E SMEMSIC Member Information Meeting</b> Capitol I & II (111 N. Grand Ave Lansing, MI 49833) <i>Speakers: Tom Knapp</i> Please attend and let your voice be heard. SMEMSIC is involved in some exciting work on your behalf. Your input is important as we plan organizational education activities. This is not a voting membership meeting. We will go over information discussed at the spring conference membership session and any new updates from SMEMSIC since the spring conference. All are invited to attend. <b>Credits: 1 Education Administration</b>
